

# OKANAGAN GROWN. RAILTOWN MADE.

## RELIANCE WHITE 2016

Inspired by the Pinot Bianco and Müller-Thurgau of Italy's alpine Alto-Adige region. Made from pristine grapes grown on heritage old vines in Lanny Martiniuk's home vineyard located on the unique gravel bar of the lower Black Sage Bench of Oliver. Crafted by hand in extremely small lots at the Vancouver Urban Winery in the Settlement Building.

## TASTING NOTES

Pale lemon with flecks of green. A layered nose of fresh pear, ripe apricot, lemon curd and tarragon. The palate is rich, but refreshing, with a stony, mineral-driven finish.

Pinot Blanc brings green fruit, fresh herbs, and incredible texture, while Müller-Thurgau adds an aromatic hit of exotic fruit and spring blossoms.
