

OKANAGAN GROWN. RAILTOWN MADE.

RELIANCE RED 2015

A hands-off testament to the North Okanagan's distinct cool climate, Reliance Red strikes a fine balance between structure and freshness. Made from sustainably-farmed Merlot grown in the clay sub-soils of Serendipity's 10-acre vineyard on the north end of the Naramata Bench.

Crafted by hand, including a traditional basket-press, in extremely small lots at the Vancouver Urban Winery in the Settlement Building. Finished unfiltered and unfiltered.

TASTING NOTES

Deep ruby shading to purple. A complex nose of ripe plum, black cherry, sweet spice, and sage. The palate is dense, but refreshing, with fine tannins giving way to a long, juicy finish.
