

VANCOUVER URBAN WINERY

OKANAGAN GROWN. RAILTOWN MADE.

An unabashed celebration of BC's most popular variety and no fuss everyday drinking. A blend of north and south Okanagan fruit brings the best of both to the table: red fruit and freshness from Naramata, dark fruit and muscle from Osoyoos.

The 2014 vintage was one for the books. A warm spring led to a hot summer followed by an above average fall. All that heat allowed for extended hang times encouraging super ripe, flavourful fruit.

TASTING NOTES

Bright ruby with shades of purple. Juicy red berries, ripe plums, and cocoa. Super soft, easydrinking finish.
