

VANGOUVER URBAN WINERY

# OKANAGAN GROWN. RAILTOWN MADE.

## VUW MERLOT

An unabashed celebration of BC's most popular variety and no-fuss every day drinking. This wine is all about fruit. It saw minimal time in oak to preserve freshness and crushability. A consummate cool climate red.

The 2016 vintage was the earliest on record for BC with bud-break occurring in early April. The early spring ramped up to a hot summer, which set vineyard activity to fast forward. Thankfully, the weather cooled in September allowing for even ripeness.

## TASTING NOTES

Bright ruby with shades of purple. Juicy red berries, black cherries, and a hint of South Okanagan sage. A medium, juicy palate with great length from bright acidity.
