

VANCOUVER URBAN WINERY

OKANAGAN GROWN. RAILTOWN MADE.

VUW PINOT GRIS

Pinot Gris is a natural fit for super natural British Columbia. The VUW Pinot Gris is no exception. All steel. No oak. Just pure, refreshing, BC fruit.

The 2016 vintage was the earliest on record for BC with bud-break occurring in early April. The early spring ramped up to a hot summer, which set vineyard activity to fast forward. Thankfully, the weather cooled in September allowing for even ripeness.

TASTING NOTES

Star bright appearance. Fresh stone fruit, sweet lemon, and a slight almond note on the finish. A clean, crisp palate with a bone-dry finish.
