

VANCOUVER URBAN WINERY

OKANAGAN GROWN. RAILTOWN MADE.

Pink wine is life. The inaugural vintage of VUW Rosé, from fruit grown in the iconic, limestone-rich Sperling vineyard, slides in gracefully beside the most elegant rosés of Provence though an extra burst of pure fruit and bright acidity makes it distinctly BC.

The 2015 vintage took off like a rocket. A hot spring led to a hot summer followed by a hot fall. Record heat produced the Okanagan's earliest ever vintage along with crazy ripe, flavourful fruit.

TASTING NOTES

Pale salmon. Fresh strawberry, raspberry, and pink grapefruit. Clean, crisp finish.
