

VANGOUVER URBAN WINERY

OKANAGAN GROWN. RAILTOWN MADE.

VUW ROSÉ

Pink wine is life. A BC Rosé made in the elegant Provencal style. Perfectly crisp and dry but with unabashed Okanagan fruit character.

The 2016 vintage was the earliest on record for BC with bud-break occurring in early April. The early spring ramped up to a hot summer, which set vineyard activity to fast forward. Thankfully, the weather cooled in September allowing for even ripeness.

TASTING NOTES

Pale salmon. Ripe strawberry, watermelon, lemon rind, and mint. Though light and refreshing, the palate shows a bit of weight from the naturally ripe fruit.
